MainStream Management Marks the Company's 10th Anniversary with Re-Launch of its Website www.mainstreammanagement.com

CEDAR RAPIDS (September 2, 2009) – Today, MainStream Management, LLC, a global full service management consulting, corporate restructuring and operational improvement firm, marks its 10th anniversary with the launch of its newly re-designed website: www.mainstreammanagement.com.

Since MainStream Management's initial assignment in 1999 with First Chicago Equity Capital, now J.P. Morgan Chase Company, MainStream has provided unique solutions to organizations with challenges ranging from basic business issues to highly complex financial and operational challenges. Present day, MainStream offers a broad base of industry and financial experience to meet client challenges, while maintaining a balanced organizational scope, allowing for the delivery of the highest quality business solutions.

With improved functionality, the new website offers a completely new look. In accordance with client feedback and constantly changing trends emerging in the marketplace MainStream's re-launched, content rich website provides clients and prospects with indepth information on the company's area of expertise and industries served, as well as, a news and insights sections that features company news, industry reports and thought leadership reports that key in on current 'hot topics' in the corporate restructuring, operational improvement and turnaround space. "We believe that the re-designed website will present an opportunity for our current and potential clients to view our offering through a content rich, user-friendly interface," comments Joseph P. Patten, managing partner of MainStream Management.
